Sir:

Listed on accompanying Form PTO-1449 are documents that may be considered material to the examination of this application, in compliance with the duty of disclosure requirements of 37 C.F.R. §§ 1.56, 1.97 and 1.98. Copies of documents AM1, AN1 and AR21 are submitted herewith. Copies of the remaining documents were cited by or submitted to the Office in Application No. 09/235,810, filed January 22, 1999, which is relied upon for an earlier filing date under 35 U.S.C. § 120. Thus, copies of those documents are not attached. 37 C.F.R. § 1.98(d).

Document AM1, WO 98/55643, is in a foreign language. An English language translation of Document AM1 is provided as Document AR21.

Where the publication date of a listed document does not provide a month of publication, the year of publication of the listed document is sufficiently earlier than the effective U.S. filing date and any foreign priority date so that the month of publication is not in issue. Applicants have listed publication dates on the attached PTO-1449 based on information presently available to the

undersigned. However, the listed publication dates should not be construed as an admission that the information was actually published on the date indicated.

The Examiner's attention is directed to co-pending U.S. Patent Application Nos. 09/235,810, filed January 22, 1999 and 09/318,208, filed May 25, 1999, which are directed to related technical subject matter.

Applicants wish to bring to the attention of the Examiner that SEQ ID NO:1 and the corresponding clone of this application may be considered to be related to the following SEQ ID NOs, in the following co-pending applications:

SEQ ID NOs	U.S. Appl. No.	Filing Date
1220	08/103,744	August 9, 1993
5625	08/104,507	August 9, 1993

The identification of these U.S. Patent Applications is not to be construed as a waiver of secrecy as to those applications now or upon issuance of the present application as a patent. The Examiner is respectfully requested to consider the cited applications and the art cited therein during examination.

Applicants reserve the right to establish the patentability of the claimed invention over any of the information provided herewith, and/or to prove that this information may not be prior art, and/or to prove that this information may not be enabling for the teachings purportedly offered.

This statement should not be construed as a representation that a search has been made, or that information more material to the examination of the present patent application does not exist. The Examiner is specifically requested not to rely solely on the material submitted herewith. It is further understood that the Examiner will consider information that had been cited or submitted to the U.S. Patent and Trademark Office in a prior application relied on under 35 U.S.C. § 120. 1138 OG 37, 38 (May 19, 1992).

This Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits. No statement or fee is required.

It is respectfully requested that the Examiner initial and return a copy of the enclosed PTO-1449, and to indicate in the official file wrapper of this patent application that the documents have been considered.

The U.S. Patent and Trademark Office is hereby authorized to charge any fee deficiency, or credit any overpayment, to our Deposit Account No. 19-0036.

Respectfully submitted,

STERNE, KESSLER, GOLDSTEIN & FOX P.L.L.C.
